Family name _____ Given name _____

Purpose

A number of pool laptops are available for short and long term loan to students who do not have their own device. The laptop is to be loaned as a tool to assist student learning both at school and at home. Loan laptops remain school property.

This Laptop Loan Charter must be read and signed and returned to Mackellar Girl's Campus before the laptop can be issued. There is a deposit of \$100 to secure the laptop which is refundable, provided the student returns the laptop and charger in the condition in which it was issued. The funds will be held if the laptop and/or charger needs to be repaired.

Students and parents/carers must carefully read this charter prior to signing it. Any questions should be addressed to the school and clarification obtained before the charter is signed.

Laptop Loan Charter

We have read the Laptop Loan Charter.

We understand our responsibilities regarding the use of the laptop and the internet.

In signing below, we acknowledge that we understand and agree to the Laptop Loan Charter.

We understand that we accept responsibility for any costs associated with the repair or replacement if caused by any negligent act.

We understand that failure to comply with the Laptop Loan Charter could result in loss of future loan permission.

LAPTOP LOAN CHARTER

1. Equipment

- The student must bring the laptop fully charged to school every day if required. Chargers should be left at home.
- Access to a laptop on loan may be terminated if there is damage caused by negligence or if the student does not bring the laptop as required to school or return it by the due date.
- The school retains ownership of the laptop.
- All issued loan laptops are to be returned at the end of each year to the I.T. Department, to be sited for faults and updating software/reimaging. Students need to back up their work before returning the laptops.
- Deposits will be refunded if the student no longer needs the laptop at the end of the year, if it is returned in the condition it was issued.
- When a student moves to a non-government school, interstate or overseas, the laptop must be returned to the school.
- All material on the laptop is subject to review by school staff. If there is a police request, NSW DEC will provide access to the laptop and personal network holdings associated with your use of the laptop.
- Loans are based on school priorities and may vary from short term to long term loans to class groups or individual students.

2. Damage or loss of equipment

- All laptops are the student's responsibility and any negligence, abuse or malicious damage will forfeit their deposit.
- Any problems, vandalism, damage, loss or theft of the laptop must be reported immediately to the school.
- In the case of suspected theft, a police report must be made by the family and an event number provided to the school.
- In the case of loss or accidental damage, a Laptop Incident Report must be filled in and signed by the student and parent/carer. The incident is to be reported to the I.T. Department where an Incident Report form will be provided.
- Laptops that are damaged or lost by neglect, abuse or malicious act, will require reimbursement. The Principal will determine whether replacement is appropriate and/or whether or not the student is responsible for repair or replacement costs and whether or not the student retains access to the laptop loans.
- Students will be required to replace lost or damaged chargers. These cost the school \$50 to replace.

3. Standards for laptop care

The student is responsible for:

- Taking care of laptops in accordance with school guidelines.
- Adhering to [Online Communication Services: Acceptable Usage for School Students](#) policy.
- Backing up all data securely. This should be on the DEC online storage or for personal data including photographs or music, on an external storage device. Students must be aware that the contents of the laptop will be deleted and the storage media reformatted in the course of repairs.
- Never damaging or disabling laptops, laptop systems and networks or establishing, participating in or circulating content that attempts to undermine or bypass laptop security mechanisms for either software or hardware.

4. Acceptable computer and internet use

- Students are not to create, participate in, or circulate content that attempts to undermine, hack into and/or bypass the hardware and software security mechanisms that are in place.
- Upon enrolment into a New South Wales Government school, parental/carer permission was sought to allow the student to access the Internet at school based on the *Online Communication Services: Acceptable Usage for School Students* policy. Extracts are provided below. This policy forms part of the Laptops Loan Charter
- The [Online Communication Services: Acceptable Usage for School Students](#) policy applies to the use of the laptop and internet both on and off school grounds.
